While the choice of having the property inspected by a professional home inspector is solely the Purchaser's decision, no home inspector or any other subcontractors hired solely by the Purchaser shall be on to the property with out proof of valid general liability, workers compensation and disability insurance. The Purchaser agrees that he/she will assume all liability for the home inspector or any subcontractors the Purchaser hires themselves. Purchaser and DMC shall agree in writing, those items that will be repaired or completed by DMC within a reasonable time after Closing Date, and upon execution of said Agreement, Purchaser will have accepted the Residence and acknowledged that the Residence was constructed pursuant to this Contract except as set out in said Agreement.

B. Time being of the essence, Purchaser agrees to immediately close said loan and purchase the above-described property within twenty-four (24) hours of being notified, or at a time designated by DMC, if later. Possession shall be given to Purchaser immediately after closing. DMC shall not be held responsible for any delay in construction of the Residence by the act, neglect, failure or default of subcontractors, workmen, or suppliers; by alterations, changes or additions to the Residence, public laws, or act of public officials, strikes, lock-outs, actions of the elements, acts of war, inability to obtain materials, or by any cause beyond DMC's control. DMC shall make a reasonable effort to construct this Residence in conformance with models and house plans, however, DMC specifically reserves the right to make such modifications or substitutions in the construction of Residence as may be required, authorized or approved by governmental agencies having jurisdiction thereover, or as DMC deems appropriate. DMC reserves the exclusive right to reverse the plan's orientation on the lot and to choose substitute selections for any selections that have not been submitted or are unavailable to DMC within ten (10) days of the execution of the Ratified Contract. Purchaser agrees that construction of said residence shall not be delayed to wait for Purchaser's selections. Should construction of the house plan herein be started and selections have been made, Purchaser agrees to accept said house plan, its location on the Property, elevation and finish of the Residence and all selections chosen by DMC or others. If for any reason, the Residence is not completed as approved on the final VA, FHA, mortgagee or applicable Code Enforcement Department within eighteen (18) months from the Ratified Contract date, then the Contract may be terminated at the option of DMC or Purchaser and Earnest Money shall be returned.

- 19. OPTIONS, CHANGES AND ADDITIONS:** Options, changes and/or additions must be agreed upon by both Purchaser and DMC to become part of this Contract. Purchaser understands that changes are to be requested in writing on a form proscribed by DMC together with the non-refundable change order review fee of \$100.00. DMC will review the requested change and submit a proposed estimate of cost. The parties understand that no change must be made by DMC until agreed to by all parties and the non-refundable change order review fee is paid by Purchaser. Purchaser understands that the projected cost for the option, change or addition is an estimate only, and Purchaser shall pay the actual cost once suppliers and subcontractors bills are presented, together with a fee to DMC of _____% of the actual increased cost of construction. If Purchaser instructs a subcontractor or laborer as to specific construction without DMC approval, Purchaser agrees to become personally responsible for the cost of the work and further agrees that the DMC has no obligation whatever as to the workmanship of the specific construction, and DMC shall not warrant same. In the event Purchaser fails to close the sale for any reason, DMC shall retain all funds paid for said options, changes and/or additions without reimbursement to Purchaser. **PURCHASER HAS BEEN ADVISED THAT THIS MAY RESULT IN FINANCIAL LOSS TO PURCHASER.**

- 25. COSTS AND ATTORNEY FEES:** Should any party to this Contract bring an action against any other party to this Contract to enforce any claim hereunder, or as the result hereof, then the prevailing party or parties shall be entitled to recover all costs of said action and reasonable attorney fees. For the purpose of this provision, party is defined as and includes the Purchaser, DMC, above indicated Real Estate Brokers and participating Agents. - 28. NURSERY STOCK AND NATURAL TREES:** Nursery stock (including sod/seed) installed by the DMC shall be healthy and alive (or in a seasonal dormant state) on the date of closing. The type and amount of nursery stock and sod/seed will be dictated by DMC's construction practices and allowances and may vary from that of any model or market home viewed by Purchaser. Purchaser is advised that DMC only provides a "starter type" nursery stock and sod/seed. No representation is made by DMC as to the establishment or maturity of said nursery stock, sod/seed as Purchaser shall be required to care for and maintain the before-mentioned to obtain a naturally mature/established yard. It is specifically stipulated that natural trees or other natural growth will be excluded from any warranty. However, DMC shall use reasonable care to protect the health of natural growth during construction, but if unable to do so, may remove the natural growth from the lot prior to closing. Removal of damaged or unhealthy natural growth shall only be determined and performed by DMC prior to closing or by written agreement between DMC and Purchaser at preclosing inspection.
